

Scared to use your **Workplace Restroom?**

How do plant workers
feel about their
workplace restrooms?

We asked, they answered.
The results weren't pretty.

- 1 in 6 said, "My workplace restroom is a **HEALTH** hazard!"
- 1 in 10 said, "My workplace restroom is a **SAFETY** hazard!"
- 6 in 10 said, "Raunchy restrooms tell me management doesn't care about my workplace!"
- 1 in 2 said, "Raunchy restrooms tell me management doesn't care about **ME!**"

- 1** Increased waste due to torn towels and a clogged dispenser, yuck!
- 2** Exposed, unsanitary roll of tissue, and broken dispenser.
- 3** Drippy, leaky, **RAUNCHY** soap dispenser (and it's broken too!)

— 8 in 10 said “A clean, well stocked restroom tells me management cares about me and my workplace!”

The Kimberly-Clark® Brand

E-Z Maintenance Restroom

Everything about the E-Z Maintenance restroom is designed around simplifying and streamlining, with a coordinated look. Dispensers that are **E-Z to load and high capacity so refills are less frequent** -- all these advantages can help you make the ranchy restroom obsolete!

- 1** Easy dispensing, high quality towels with less maintenance.
- 2** Touchless dispensing for improved hygiene.
- 3** High capacity soap system, with contemporary styling.
